

Ash Green School

Open Evening 2026

*EVERY MOMENT - HIGH EXPECTATIONS
EVERY LESSON - DO YOUR BEST
EVERY DAY - MAKE A DIFFERENCE
EVERY DAY EXTRAORDINARY*

Welcome

Dear parents and carers,

I am delighted to welcome you to Ash Green School. We are looking forward to working closely with all our new students and their families in order to ensure that the move from primary to secondary education is as effective as possible.

At the core of every decision we make, will be your children. I have been very fortunate to have had a great deal of success as a Headteacher. A key element of that success has been working collaboratively and securing the support of parents. I genuinely look forward to building that positive relationship with you; together we will make sure all of our children have a bright future to look forward to.

At Ash Green School we foster a love of life-long learning. We provide a broad, balanced and fulfilling curriculum. We also provide a diverse enrichment programme which we encourage all students to participate in. In addition to this, our team of dedicated staff will work tirelessly in partnership with you to ensure your child reaches their potential.

Recognising that all our students have different skills and will grasp concepts and retain knowledge in many ways is fundamental to helping us meet all our students' needs. Providing lessons that inspire and engage, listening, and responding to students' ideas and opinions is at the heart of what we do. Ensuring every student is known and feels valued through relationships built on mutual respect leads to a happy and safe place to learn.

Our motto is 'Every Day Extraordinary' and we believe that hard work and doing things to the very best of your ability lead to success. To us, the little things matter. Getting to school on time, dressing smartly, bringing the correct equipment, and showing respect for all are four simple things everyone can do. Academic success is important, but the skills students learn and the character traits of resilience, respect, and resourcefulness that they develop along the way ensures that they are well prepared for success during their time at Ash Green School.

If you do have any further questions, our dedicated team of staff will be available to answer these for you.

Please get in touch via our school enquiries email address: enquiries@ashgreenschool.org.uk

Principal

Ash Green Values

At Ash Green School, we live out our values in everything we do. Our Ash Green values are:

‘The AGS Way’

At Ash Green School (AGS) our purpose is to equip **all** our students with the powerful knowledge and transferable skills they need to succeed in our global community. Every lesson, we uphold high expectations, and we support students to do their best.

Our AGS Lesson structure uses key strategies supported by cognitive and metacognitive science to teach our ambitious curriculum to **all** students.

An AGS Lesson

At Ash Green every lesson is structured in the following way to provide consistency and routine for all learners.

At the heart of all learning is assessment so that the teacher can identify progress and understanding throughout the lesson. This is achieved through the use of mini whiteboards, recall ‘do now’ activities.

Curriculum

We deliver a balanced and broad curriculum which offers students the opportunity to build a strong foundation in their education.

Key Stage 3

In years 7 to 9, the curriculum is designed to provide a balance of key skills, knowledge and values in a core curriculum of English, Maths and Science. The key stage 3 curriculum provides students with a strong foundation for examination study in Year 10. The subjects that your child will be studying are:

Core Subjects	Other Subjects
English Mathematics	Art Dance Drama Food Technology Graphic Design Music Personal Social Health Education Physical Education Religious Studies Textiles
Ebacc Subjects	
Science Computer Science Geography History French	

Key Stage 4

In years 10 and 11 students study a combination of core subjects and will choose from a range of option subjects. Currently, these are listed below:

Core Subjects	EBacc Option Subjects
English Literature & Language Mathematics Combined or Triple Science	Computer Science Geography History French
Non-Examined Subjects	Other Option Subjects
Personal Social Health Education Physical Education Computer Skills Religious Studies	Art or Graphic Design Business Studies Dance Drama Music Religious Studies Sport Science Textiles

Transition

At Ash Green School we work extremely hard to ensure that your child settles in quickly; our personalised approach ensures that they maximise their potential.

Moving on from a Primary School can be an apprehensive time, for both children and their parents. We will offer a tailored transition programme to ensure that the transition process is simple and seamless. Our staff will work hard to alleviate any fears regarding starting at a new School and encourage a feeling of excitement and anticipation.

We work hard to get to know students before they join our School. Throughout the Summer term we will carry out interviews with Year 6 teachers collecting valuable information about our new students, to get to know their needs and aspirations, and to enable us to tailor their experience.

We look forward to welcoming all year 6 students who will be joining us in September 2027 to a full on-site transition day at Ash Green on Wednesday 7th July 2027.

During the first week of the Autumn term, we will carry out an extended induction programme; the aim is to help build friendships, ensure there are familiar faces in every lesson, and encourage teamwork in class as the curriculum is introduced. We will also carry out a Year 7 settling in survey in the first few weeks at Ash Green to ensure any early concerns are addressed and students feel supported.

During Year 7, students broadly follow the National Curriculum with an unrelenting focus on English, Maths and Science. We teach Year 7 students in mixed ability groups for all subjects. Our teachers are skilled in stretching and challenging all students, regardless of ability to ensure that our students create a strong academic foundation setting them up perfectly for GCSEs and formal examinations.

Attendance

Regular school attendance has always been a key priority for us here at Ash Green School, we want to work together to improve attendance of our students. Good school attendance is key to helping students achieve the best possible grades and maximizes their potential learning opportunities.

In recognition that school attainment and attendance are strongly linked, we like to remind all students and their parents/carers of our expectations.

Our intention is that each student feels valued and supported, by building excellent working relationships with students and their families, understanding that we each play an integral role. Open communication allows barriers to be identified and solutions to be explored, this supporting all students.

SCHOOL ATTENDANCE TARGETS

Attendance is monitored on a daily, weekly, half termly, termly and yearly basis across the whole school and on an individual level. Ash Green School has an attendance target of 96%.

In the event your child's attendance falls below this, our tiered attendance support plans will be triggered to identify areas requiring improvement and to ensure the correct intervention is offered.

These attendance targets are supported by Warwickshire Attendance Service.

PROMOTING ATTENDANCE

- Ash Green actively promotes the importance of good attendance through:
- Celebration assemblies
- Consistent and improved attendance rewards
- Ash Green Sterling — The Reward Store
- Prize draws

ATTENDANCE TEAM

Jennifer Toms — Attendance Improvement Manager
Debra Fenlon — Attendance Improvement Leader
Emma Billington — Attendance Improvement Coordinator

Transport

There are various ways of travelling to school. It is vital that your child arrives safely and on time, their safety is paramount.

	On Foot	Many of our students live within a mile of the academy and use this to their advantage by taking the healthy option and walking to school. Being aware of the dangers associated with busy roads and practicing good road safety is the key to enjoying this practical transport method.
	Cycle	Some students cycle to school, taking advantage of the secure and well-covered bicycle compound at the rear of our academy. All students cycling to school are advised to wear a cycle helmet.
	By Car	Parents and carers may drop their children off at school. However, we kindly request that parents are mindful that we do not have a specified drop off point and the school is in a residential area. Please be mindful of our local residents when dropping students off. We also request that you do not block school entrances on Ash Green Lane or Vicarage Lane. Parents are politely requested not to pull into or park in the staff car park at the front of the academy for the purpose of dropping students at school as this can delay or prevent teachers and other staff from parking.
	By Bus	Some children travel to Ash Green School via public transport. You can get to the school via the number 55 and 56 Stagecoach Midlands buses. To see if your child is eligible for a free bus pass please visit: www.warwickshire.gov.uk/transporthelpunder16

Our canteen operates a cashless catering system that incorporates the latest technology and eliminates the need to carry cash throughout the day. It is also biometric so there is no need to carry a card as the system will recognise the thumb print of your child at the tills. It is important to note that the system does not work from the thumb print itself, but takes a numeric record. You will need to add money to your child's Arbor account for them to purchase food items at our canteen. The system is used widely and successfully in many schools.

You can see sample menus here. Tariff prices may change.

Students are also welcome to bring their own packed lunch to school.

Enrichment

We offer students a wide-ranging enrichment programme to develop their passions and interests as well as gain greater confidence and self-belief.

Our extra-curricular sessions include After-School Clubs, Lunchtime Clubs, and Year 11 Intervention Sessions. Most after school clubs run between 3.10pm and 4.10pm. Year 11 intervention runs until 4:30pm.

In addition, there are opportunities to enrich the curriculum with regular trips, visits, performances, sports fixtures and guest speakers across all subjects.

Uniform

All students are required to cooperate with the school uniform policy.

The School uniform comprises of the following items:

Black blazer with school logo
Black tie, with blue stripe
Plain, collared white shirt or blouse
Black V-neck jumper with blue band (optional)
Black trousers / skirt*
Black Shoes

We know that the cost of school uniform can be a challenge for some families. Students who are entitled to pupil premium funding can get support with the cost of school uniform.

Uniform with the school logo can be purchased from Cat Ballou in Coventry City Centre.

Items without a logo such as shirts, trousers and skirts can be purchased from other retailers such as supermarkets.

Safeguarding

KEEPING YOURSELF SAFE & REPORTING SAFEGUARDING CONCERNS

At Ash Green School keeping children and young people safe from harm is our main priority. Children have the right to feel safe and be safe. If you do not feel safe at school, home or in any other areas of your life, it's important that you know that there are adults who will help you.

Speak to an adult in school who you know or to one of the school's Safeguarding team.

At Ash Green our Local Safeguarding Priorities are:

- Supporting Mental Health and Well Being
- Supporting Families Early and offering Early Intervention
- Supporting and ensuring an understanding of neglect
- Supporting and ensuring an understanding of Child Sexual Exploitation and Child Criminal Exploitation
- Support and ensuring an understanding of Domestic Abuse and Operation Encompass

If you have a safeguarding concern during school hours. Please contact us on 02476 366772

If you have a safeguarding concern outside of school hours or a child is at immediate risk of harm. Please contact the Multi Agency Safeguarding Hub (MASH) on 01926 414144
