Assignment 1: Research Task

For this Assignment, you will need to base your evidence on a famous individual or celebrity.

Please choose one of the following:

- Elton John
- Jesy Nelson
- Katie Piper
- Stephen Hawking

Find as much information about the life of your chosen celebrity as possible. Find information from birth to present.

The more information you find, the easier your assignment will be. You will be looking at their growth and development and how factors affected them, making links to **PIES**.

Thanks!

Please bring your completed work with you on your first lesson back.

OR

Save it in your documents so you can access it on the school computers.
