

United Against Bullying Plus (UAB+) Programme Evaluation: Information Sheet for Parents & Carers

UAB+ Information for Parents and Carers

We are delighted to announce that Ash Green School has been selected to take part in a two-year whole-school anti-bullying pilot programme for secondary schools, [United Against Bullying Plus \(UAB+\)](#), delivered by the [Anti-Bullying Alliance](#) in partnership with [Kidscape](#). This programme will further enhance our anti-bullying programme in school.

As a UAB+ school, we have access to:

- an anti-bullying expert from the Anti-Bullying Alliance assigned to the school for two years to provide tailored support;
- a range of anti-bullying CPD training courses for all school staff;
- anti-bullying workshops for Year 8 pupils;
- supportive workshop for any pupils identified as experiencing bullying, including a workshop for parents/carers; and
- a package of support to work with those displaying bullying behaviour.

Ash Green School is one of only 18 schools on this pilot programme, and we will be supported to develop an innovative whole-school approach to reducing bullying and effectively support children most at risk of perpetrating, and experiencing, bullying. While it focuses on the current Year 8 group for all schools involved on the programme, the bespoke nature of UAB+ will benefit the entire school.

The application process to the programme required demonstrating our commitment to support our pupils' well-being, and we are excited to have been selected!
